Funny how the aussie RSPCA complain like buggery over the death of a rat, but they keep quiet over the squeaky kangaroos (you would be squeaky too if someone lopped off your plums and had them for a meal !!)

They killed it then ate it, can't see the problem.

Bush Tucker Man, Ray Mears, Bear Grilles, etc.... have all eaten their way round Oz.

:whistle:

Pity they didn't eat a couple of the alleged celebrities ...

:devil:
