Go on, have a look, you may find something you like....or give me a topic/subject and I'll see what I can do...

(it does help if I type the url in properly of course.....doh! :whistle:)

Thank you, and yeah - the bright, summer ones were done less than a mile from the house, the others were done last Sat evening at Hatton, nr Warwick.

Must admit, your site wouldn't seem the same if that ever got corrected. :D

Obviously, it wouldn't actually be the same if that was corrected, but you know what I mean. :D

Some lovely pictures (linky worky now) but is it really necessary to put the word PROOF repeatedly all over what is, in effect, a thumbnail far too small to be printed anyway? Distracts from the pictures slightly.
