Well, some of you may know that we (Mrs MudSurfette) and I moved to Wales earlier this year, to a little place with a nice little garden and we also have a sproglet due in November.

To celebrate these two events, I'd like to organise a tech weekend to take place in the garden, you are welcome to camp, bring BBQs, beer etc, dogs are welcome as long as they don't kill our 4, and given that we live about 10 mins from Llandrinio (the steep end of the Wayfarer, Whitestones, etc. there's plenty of lanes to choose from too...

I'll need to find a good date as I'm sure Mrs G and I will be dogging some most weekends, but we'll get one agreed early September and post it up.

Let me know who wants to come for a day, two days, one night, two nights?

We only have one loo in the house, and no portaloos but there are two pubs down the road....and a field.

Me and ed , mr and ed.

Oooohhhh we can bring our own loo, tent and toilet roll.

I'd probably come in my gaymobile, if I'd be welcome. I like a good 'camp' around that time of year :)

How does the second weekend in September sound to you? And Andy - you can bring your fag mobile, but I can't be held responsible for it getting stuck on the drive, never mind the field...
