tried to point it out a bit for them :P  
do you have a parts list for that harness upgrade???

:whistle:  
The OP was just after a CHEAP fix - that means a decent lamp ...

:devilish:

:whistle:  
Call me a pedant but 80/100's are illegal for road use in the UK ...

:devil:

Call me a pedant, but his bit of Ireland isn't in the UK :D :D

Posted by: Predictable Bob  
Date: 13-07-2010 20:47:48

:whistle:

Andy, I specifically mentioned UK cos I know Bob's in Eire and I don't know the law there - besides which the OP's in UK !

:P

OK here goes

[http://www.t2retail.co.uk/Electronic\\_Components\\_Resistors](http://www.t2retail.co.uk/Electronic_Components_Resistors)

[http://www.t2retail.co.uk/Semi\\_Conductors](http://www.t2retail.co.uk/Semi_Conductors)

<http://www.vehicle-wiring-products.eu/VWP-onlinestore/relays>

1x R30A 4 blade relay & 1 x R30BT 5 blade relay

<http://cgi.ebay.co.uk/2-Wiring-Harness-Car-Fog-Headlight-Bulbs-H4-NEW-/270607012865>

If you're going to make it neat and tidy <http://www.vehicle-wiring-products.eu/VWP-onlinestore/relays>

Otherwise <http://www.vehicle-wiring-products.eu/VWP-onlinestore/fuses> (FH440) &

<http://www.vehicle-wiring-products.eu/VWP-onlinestore/terminalspreins>

Not forgetting the wire

<http://www.vehicle-wiring-products.eu/VWP-onlinestore/cable>

haaa  
i just posted about this too :devilish:  
dint know about this thread tho honest :D

:lol:

I was just playing the pedant - I used to run 80/100's myself without problems but I found that the Nightbreakers gave a better light !

:D
