Hi andy, im not sure if you remember but a while ago you said i could have your veg oil filltering system "for beer tokens".

I can't quite remember who it was but someone said that they may be able to bring it to avalanche with them "or something like that"

Anyway, do you still have it & whats your tippel?

Cheers Si.

Yes I still have it, but due to a trademark change of mind I may be looking for a truck sooner than I thought, which means I may well start using it again!

You just can't live without one can you. :lol:

No worries mate.

Its looking that way!

Been on the GT4OC website / forum about once a month, been on the Surf forums daily...

He should have a drive of mine, he'll be gagging for one! :D
I'll be in Hereford for a few days at the begining of August if that helps.... :whistle: :devil:
