:/

I thought that FoulArse had got him 'done' ...

<https://www.facebook.com/#!/photo.php>

:devil:

:devil:

Silly sod got his thumbs between the bricks :yikes:

The Rodent might be an idiot but even he wouldn't be stupid enough to hang around to give FoulArse a second chance

:devilish: :devilish:

:/

From what I heard there's no point - his gets even less use than mine !

:devil:

apologies my ironicometer was set too low

Any news on the job front or are you still a tart for hire?

Posted by: gwh200
