And we leave the yellow snow to Brummies :lol:

I don't play golf, the only time I hit 2 balls straight was when I trod on a garden rake ! :yikes:

:yikes:

How did you manage to stand on a rake and have it hit you between the ears? :devilish: :devilish:

it's clogs ?

The middle one was a red version nice pasty, yum yum :)

Is that what they put in the pasty? Then again it would be a bit difficult to market . Tree Rat Pasty? Rodent Pie?

No more difficult than marketing Brummie Bolux - although come to think about it there is always Ikea's Meat Balls, although being you it would be Lidl's version :lol:

Typical of the rodent, he mugs some little kid for their hobby horse and he even got that wrong. It's too big for him.
:devil:

The Rodents car.
<http://www.eurocosm.com/Application/images/pedcars>
At least its an improvement on his Fiat :whistle:

Traded it in last week, for a Brummie bashing Chrysler :lol:

It and the Fiat are plotting your demise as we speak :devilish:
